

POSTER SUBMISSION GUIDELINE

Guideline to propose a poster contribution for NanoInnovation 2025:

- Prepare your abstract following the template provided at the end of this guideline
- Submit your abstract online using the submission form available in the reserved area of the conference website, which can be accessed directly by clicking [HERE](#), within the deadline reported in the NanoInnovation website.
- Contribution must be of technical-scientific nature. Promotional material will be rejected.
- Abstracts will be selected by the Organizing Committee, basing on compliance with conference themes and objectives.
- Late submissions might be refused due to limitation in the exhibition space.
- Acceptance will be communicated to authors following the deadline reported in the NanoInnovation website.
- Posters will be displayed in the main Conference Hall (same place of coffee breaks, lunch, and exhibition).
- Posters must be in English and respect the following features: 70 cm (width) x 100 cm (height).
- The list of poster contributions will be available on the NanoInnovation website and on the conference programme.
- *Presentation of a poster requires a registration **fee of 100 euro + VAT**. The corresponding invoice will be sent according to your indication in the online submission form. Payment must be done **BEFORE** the beginning of the event. No poster exhibition will be allowed without payment confirmation.*
- **No poster presentation fee is due if all authors are affiliated with co-organizing institutions**

ABSTRACT TEMPLATE

NanoInnovation 2025

Instructions and Template for Abstracts Submission

Author A (1), Author B (1), Author C (2), etc.
Names of the Organizations of the Authors

(Please underline the name of the corresponding author)

Please provide an abstract of your planned contribution, with the aim to describe your research and innovation activities and results and attract the audience of the event. The role of nanotechnologies and their integration with KETs in research and innovation, as well as potential/actual application areas must be highlighted within the abstract.

Please, also include the corresponding author's contact and billing information at the end of the text:

- Full name of the institution
- Full address
- E-mail
- Telephone
- VAT number tax code
- PEC/SDI code

Communications regarding the Conference will be sent to the corresponding author. Please, inform the Conference Secretariat in case the person attending the conference will be different.

Suggested length: half page.

Plain text only (the abstract will be uploaded as text in the conference website)

For any further information, please write to poster@nanoinnovation.eu.

Thank you
